

No Tricks Just Treats

Besides the movies, where can you go to see Superman fly, Batman and his Batmobile, a lovely princess or ninja fighter all in one place? Yes holy cow cape crusader, only at the Harvest Party in Whitman Park. On October 31st both parents and children celebrated this special time of year by attending the first annual Harvest Party at the Whitman Park Community Center. For two hours, waves of superheroes and cartoon costume characters paraded themselves throughout the center. The kids were given a special presentation and encouragement by a special dinosaur character. Harvest Party volunteers were also able to provide food, take home gifts and the most desirable item voted in by children...lots of candy and fruit as well.
