

Convoy of Hope Camden

Convoy of Hope is coming to Camden, New Jersey. It will be held on September 19th from 10:00am to 6:00pm at Whitman Park Square, Camden NJ. Convoy of Hope-Camden is a neighborhood partnership between area churches, social, educational, medical agencies and Convoy of Hope, Inc. We are coming together to bring “hope” to families, single parents, underprivileged, unemployed, underemployed and homeless within our community.

This effort will be sponsored by local churches, ministries and organizations in both Camden and Burlington County. The expectation is to serve over 1000-2000 visitors. This partnership will activate approximately 300–400 volunteers who will give our guests a day of “hope” as they are welcomed into a loving, caring environment that will provide:
